Edward Barber & Jay Osgerby

Edward Barber e Jay Osgerby hanno aperto il loro studio a Londra nel 1996. Il loro approccio multidisciplinare sfida i confini del design industriale, dell'architettura e dell'arte. Sono entrati a far parte del team Mutina nel 2013. Hanno firmato le collezioni Lane, Mews, Mistral e Puzzle.

I loro lavori includono collezioni per Knoll, Vitra, B & B Italia, Cappellini, Venini e Flos, limited edition e commissioni pubbliche come la London 2012 Olympic Torch e la moneta da 2 sterline disegnata per la Royal Mint. La prima monografia estensiva loro dedicata, pubblicata da Rizzoli New York, è del 2011. Entrambi sono Royal Designers for Industry (RDI) e Honorary Doctors of Art. Il loro lavoro è nelle collezioni permanenti di musei in tutto il mondo, come il V&A e il Design Museum di Londra, il Metropolitan Museum of Art di New York o l'Art Institute di Chicago.

Edward Barber and Jay Osgerby opened their London studio in 1996. Their multidisciplinary approach pushes the boundaries of industrial design towards art and architecture. They joined the Mutina team in 2013. They designed Lane, Mews, Mistral and Puzzle collections.

Their work includes collections for Knoll, Vitra, B & B Italia, Cappellini, Venini and Flos, limited edition pieces and commissions such as the London 2012 Olympic Torch and the £2 coin designed for the Royal Mint. The first extensive monograph on the pair was published by Rizzoli New York in 2011. They are both Royal Designers for Industry (RDI) and Honorary Doctors of Art. Their work is included in the permanent collections of museums around the world, such as the V&A and Design Museum in London, the Metropolitan Museum of Art in New York and Chicago's Art Institute.
